

Shaping Tomorrow's  
Built Environment Today

# ASHRAE MEMBERSHIP APPLICATION

**ASHRAE provides essential resources for sustainable design, construction and operation of buildings. We are the world's leader of the built environment technologies.**

**Through your knowledge and understanding of the industry, we can continue to expand our sustainability efforts, increase the stringency of industry standards and develop technology that enables high performance for the life of a building.**

**With more than 52,000 members from over 125 nations, ASHRAE is a diverse organization representing building system design professionals around the world.**

## Member Benefits and Resources

### Publications & Resources

- The ASHRAE Handbook – the industry-wide resource for all HVAC&R professionals. (Available to Members and Associate Members).
- ASHRAE Journal – the most trusted monthly technical magazine in the HVAC&R community.
- HPB magazine – quarterly magazine focusing on the benefits of innovative technologies and energy-efficient design and operation. A digital subscription is available to members.
- eSociety – a monthly electronic news resource from ASHRAE about its activities and members.
- Access to the members-only resource website.
- New members have immediate access to the ASHRAE Handbook series with a complimentary 12-month subscription to ASHRAE Handbook Online, which allows search of all four volumes in I-P and SI units. (You can renew this subscription for only \$49 at the end of your first year of membership.) This offer applies to first-time Associate Members and Members joining on or after July 1, 2011.

### Professional Education and Career Development

- Maximize your knowledge by taking courses from the ASHRAE Learning Institute (ALI).
- Earn PDHs / CEUs / AIA LUs to maintain your certification/license with courses, seminars and webcasts.
- Demonstrate your knowledge and experience by earning your ASHRAE certification.
- Build communication and management skills by participating in a technical program or serving on a technical committee.
- Post jobs or seek employment utilizing ASHRAEJobs.com.

### Networking

- Meet with industry experts and colleagues at chapter, region and Society conferences.
- Connect locally, regionally and internationally with over 175 chapters worldwide.
- Learn, share and grow at the ASHRAE Annual & Winter Conferences, and the AHR Expo at the ASHRAE Winter Conference.

### Member Discounts

- On education courses and certification applications.
- On registration at ASHRAE conferences.
- Access to and discounts on more than 300 of the industry's leading technical publications.

## Membership

Members are represented by consulting engineers, mechanical contractors, building owners, employees of manufacturing companies, educational institutions, research organizations, government, architects, students or anyone concerned with HVAC&R for the built environment.

### What Member Type is Right for You?

ASHRAE has three grades of membership awarded to applicants based on their experience and participation in the industry.

Member and associate grades offer the same member benefits.

### Member (\$185 US)

Available to anyone with 12 years or more ASHRAE-approved experience in the HVAC&R industry.

### Associate Member (\$185 US)

Available to anyone with less than 12 years of ASHRAE-approved experience in the HVAC&R industry.

### Affiliate Member

**(\$50 US/first year, \$70 US/second year, \$90 US/third year)**

Affiliate grade is perfect for individuals who are new to ASHRAE (not previous Student or Associate members) who are age 30 or younger. It provides a great beginning for young professionals who wish to become involved in ASHRAE. Affiliate grade does not include the annual member benefit of the ASHRAE Handbook.

\*\*Before you apply and select a member grade, we encourage you to visit the ASHRAE website at: [www.ashrae.org/membership](http://www.ashrae.org/membership) to see the member grades and their corresponding member benefits.

**Join ASHRAE today. Save time, join online.**
