

REGION VII FALL CRC MOTIONS

Last Revised: 12/17/2010

Northwest Florida Chapter – Motion 36 (10/24/10):

That ASHRAE's Education Staff make contact with all State Contractor and Engineer Licensing Boards and pursue acceptance of ASHRAE Society and Chapter educational programs to meet all state requirements for CEUs, PDHs and other program requirements for educational training.

Defeated because ASHRAE does not have the finances or staff resources to implement.

Bluegrass Chapter – Motion 12 (09/21/07):

That ASHRAE arrange the Society dues renewal form to make payment of local chapter dues the base option that requires an "opt-out" (rather than an "opt-in) selection by the member.

Approved.

East Tennessee Chapter – 2007 Fall CRC:

That Society reimburse Chapter Technology Transfer Committee Chairs for transportation expenses related to attendance at Chapters Regional Conferences (CRCs).

Approved. (This same motion was submitted by several regions during their 2007 Fall CRC. Because of this, Members Council considered one motion from Region IV which asked that both the CTTC and SAC chairs be reimbursed.)
