

# WA5.6

## CIBSE AM10'S FLOWCHART FOR LEED<sup>®</sup> DOCUMENTATION FOR NATURAL VENTILATION

---

This appendix presents the flowchart from Figure 2.8 in *CIBSE Applications Manual AM 10, Natural Ventilation in Non Domestic Buildings* (2005) that is required to be submitted for the LEED<sup>®</sup> rating system (USGBC 2013) documentation of the “Prerequisite Minimum Indoor Air Quality Performance” prerequisite. The diagram is replicated with permission from CIBSE.
