

ASHRAE Technical FAQ

ID 13

Question Does ASHRAE have any instructions on the use of [ASHRAE Standard 90.1-2016](#) -Energy Standard for Building Except Low-Rise Residential Buildings that will help a designer, engineer, or architect with the building design?

ASHRAE has developed a [Standard 90.1-2013 User's Manual](#). A Standard 90.1-2016 User's Manual is under development.

The [Standard 90.1-2013 User's Manual](#) provides detailed instruction for the design of commercial and high-rise residential buildings to ensure their compliance with [ASHRAE Standard 90.1-2016](#). In addition, this Manual:

Answer

- * Encourages effective energy-conserving design.
- * Offers information on the intent of the Standard
- * Provides sample calculations and examples
- * Provides useful reference material to assist designers.
- * Provides sample [compliance documentation forms](#) at the end of each section.

The User's Manual may be purchased on-line at our website, www.ashrae.org or by calling 1-800-527-4723 in the USA and Canada or 1-404-636-8400 worldwide.

ASHRAE Pubs [ASHRAE Standard 90.1-2016](#), plus [ASHRAE BOD approved addenda](#).
