

Errata to
Adventures in Heat and Cold: Men and Women Who Made Your Lives Better (2020)

December 22, 2025

Shaded items have been added since the previously published errata sheet dated March 16, 2020.

- Page 23:** In note 4, remove the words “using ammonia”.
- In note 9, the text currently reads, ““The Boy” is a pen name for Victor Becker, early U.S. refrigeration pioneer...” but should read ““The Boy” is a pen name for Eugene Skinkle, early U.S. refrigeration pioneer...”
- Page 141:** The caption under the photograph on this page currently reads “John Gorrie from a daguerreotype photo taken in the 1850s” but should read “**Gardner Voorhees at age 30.**”
- Page 154:** In the last paragraph of the body text in the left-hand column, the footnote numbers 6 and 7 should be superscripted.
- Page 155** Note 6 reads “A Conservador refrigerator nameplate seen by the author had a patent number 2046909, which is the Glasser patent listed above” but should read “A Conservador refrigerator nameplate seen by the author had a patent number 2046909, which is the **Terry-Stewart patent** listed above.”
