

PROCLAMATION BY THE GOVERNOR

WHEREAS, engineers are highly trained professionals who apply their scientific expertise and technical skills in creative, innovative ways to fulfill the essential needs and specific interests of society; and

WHEREAS, these dedicated professionals readily face major technological challenges, including rebuilding towns devastated by natural disasters, to cleaning up and reclaiming our environment, and assuring safe, efficient sources of energy; and

WHEREAS, professional engineers remain dedicated to investing in our future by designing information systems that promise to propel the nation to unprecedented success in the twenty-first century and encouraging young math and science students to realize the practical power of their knowledge; and

WHEREAS, in 2024, I signed into law licensing reform to streamline the process for obtaining the professional engineer license, ensuring the need for more professional engineers in the workplace is met without compromising the high standards of licensing; and

WHEREAS, Pennsylvanians and communities look to knowledgeable and skilled engineers to meet the challenges of tomorrow as the vast possibilities of the future unfolds before us.

THEREFORE, I, Josh Shapiro, Governor of the Commonwealth of Pennsylvania, do hereby proclaim February 22-28, 2026, as

ENGINEERS WEEK

in special recognition of the tremendous contributions that engineers have made to our history and their role in shaping the future of our Commonwealth.

GIVEN under my hand and the Seal of the Governor, at the City of Harrisburg, on this first day of February two thousand twenty-six, the year of the Commonwealth the two hundred fiftieth.

Governor Josh Shapiro
