SUBJECT: PRESIDENTIAL AWARD OF EXCELLENCE (PAOE)

Since our Society’s inception you, our volunteer Members, and our Chapters have laid the foundation to invest in and ensure ASHRAE’s relevance to important events of the times.

Our 2023–2024 Society theme, “Challenge Accepted: Tackling Climate Change” focuses on how ASHRAE has accepted the challenge of educating, training, and mobilizing our members to be the premier authorities on designing, operating, and building buildings that address the challenges of climate change as they relate to the built environment. The built environment is responsible for approximately 40% of all greenhouse gas emissions when both operational and embodied carbon are included, and our members are the key to reducing that impact.

The PAOE system was created to provide guidance to Chapter leaders in planning your chapter activities. The goal of the 2023-2024 PAOE system is to offer a roadmap for successful Chapter operation AND provide opportunities for training our members at all levels of Society on the importance of our role in addressing climate change.

Thank you for all you do to serve our Members. Please reach out to your Regional and Society leaders as you go through the year, they all want to help to make your Chapter successful.

PAOE for this year reflects the following Presidential Initiative points of emphasis. For full information please refer to the specific item in the PAOE list by using the Tag.

Table with 2 columns: Tag, Summary. Rows include Chapter Operations (CO2, CO3), Chapter Technology Transfer (CT1-CT5, CT7), and Communications (CC1-CC3).

For additional information or clarification, consult the PAOE Frequently Asked Questions (FAQ) section on the ASHRAE website. Also communicate with your Director and Regional Chair (DRC) and Regional Vice Chairs (RVCs). They will provide guidance about what activities and events qualify for PAOE and how many points each activity or event will earn.

Please note that appropriate documentation must be kept by the Chapter to support PAOE point input, and that "chair" is defined as the individual listed in the Chapter Information Questionnaire (CIQ) on file with Society.

Your extraordinary dedication, enthusiasm and hard work are greatly appreciated – and have an amazing impact. I look forward to working with you as we engage our Society on how we, as ASHRAE, have accepted the challenge of tackling Climate Change!
