

#### 2019-2020 PRESIDENTIAL NEWSLETTER

**DATE:** July 2019

**TO:** Chapter Presidents

ASHRAE Membership Promotion Committee

ASHRAE Student Activities Committee ASHRAE Research Promotion Committee

ASHRAE Chapter Technology Transfer Committee

ASHRAE Government Affairs Committee

ASHRAE Young Engineers in ASHRAE Committee Regional Communications Chairs (formerly RECC)

Regional Historians

Region Members Council Representatives

**ASHRAE Board of Directors** 

FROM: Darryl K. Boyce

SUBJECT: PRESIDENTIAL AWARD OF EXCELLENCE (PAOE)

ASHRAE members and their chapters are the backbone of our Society and play a vital role in achieving its goals and mission. Through their collective efforts, ASHRAE chapters are the global driver of volunteer activity as we strive to meet our goal of shaping tomorrow's built environment.

Our theme for 2019 – 2020, 'Building for People & Performance-Achieving Operational Excellence,' focuses on adapting ASHRAE's resources, investments and technology to energize our membership and empower our chapters. Through the theme's initiatives, ASHRAE will continue to build a worldwide network of innovative people and successful technologies to transform building operations and the indoor environment. ASHRAE members have a tremendous passion for our mission, which this year's theme builds upon to assist building owners and operators to improve the operation of their buildings to meet the design intent and the operators expectations. Our ability to shape tomorrow is borne by our willingness to adapt today, which is the driving force behind our theme and is incorporated into this year's PAOE program.

The PAOE for the coming year reflects the following points of emphasis.

#### See Chapter Operations:

- For each chapter member that submits a building assessment for a Building EQ rating (either in Operation or As Designed)
- For each chapter member promoting or presenting on Building EQ to an outside organization, building owner, facility manager, building operator or tenant
- For a chapter presentation by the Chapter President on the new strategic plan by November 30
- For holding an Effective Building Operations (topic) Chapter Meeting
- For each Professional Development Hour (PDH) earned by a chapter member on a building science topic other than HVAC&R (e.g. fenestration, insulation, lighting, indoor air quality)

 For a chapter creating a grassroots program specific to the needs of the local community. To qualify, the chapter program must include similar breadth and scope as President Boyce's concept of supporting Effective Building Operations (ex: working with local utility and institutional organization, provide training for improvements to building operations while improving the indoor environment and wellness in the buildings in the community)

### See Chapter Technology Transfer:

- For each chapter program or chapter sponsored educational seminar with a clearly defined sustainability theme (e.g. energy efficiency, indoor air quality, high-performance buildings)
- For a chapter program if the technical topic is a panel discussion about effective building
  operations, including representatives from the local building owner/operators,
  researchers undertaking studies on smart buildings, controls service providers, or other
  specialists relevant to the topic. The intent is to have the panel discuss the problems and
  opportunities related to effective building operations and the impact of technology in the
  chapter assigned area.
- For a chapter program if the technical topic is a panel discussion about building resilience, such as research undertaking studies on building resilience, controls service providers addressing how control strategies and resiliency are linked, cyber security challenges in the built environment, technical representatives from the local weather authority sharing insights about future weather patterns, utility representatives to discuss how buildings impact grid performance, or other specialists relevant to the topic. The intent is to have the panel discuss where the integration of resilience into new and existing buildings and how it might affect infrastructure in the Chapter assigned area.
- For each 3-hour seminar sponsored/hosted by the chapter on a building science topic other than HVAC&R

#### See Student Activities:

• For each Building EQ submittal where a student branch assists with the work as overseen by a chapter member(s)

The numbering system will continue to be added to the PAOE program to better identify PAOE line items. There are nine PAOE categories included this year: Chapter Operations, Chapter Technology Transfer, Government Affairs, Communications, Historical, Membership Promotion, Research Promotion, Student Activities and Young Engineers in ASHRAE.

To achieve PAOE, the chapter must earn the minimum points in six of the following seven categories: Chapter Operations, Chapter Technology Transfer, Government Affairs, Membership Promotion, Research Promotion, Student Activities and Young Engineers in ASHRAE. Please refer to the criteria specified in each of the categories for calculating the PAOE points. For additional information or clarification, consult the PAOE Frequently Asked Questions (FAQ) section on the ASHRAE website. Please note that appropriate documentation must be kept by the Chapter to support PAOE point input, and that "chair" is defined as the individual listed in the Chapter Information Questionnaire (CIQ) on file with Society.

I am excited that you will be part of our global society and I appreciate the dedication, enthusiasm and hard work you bring to ASHRAE each year. I look forward to working with you as we extend globalization and new energy in our future and our community.

## 2019-20 PRESIDENTIAL AWARD OF EXCELLENCE (PAOE)

| CHAPTER TECHNOLOGY TRANSFER CATEGORY |  |  |  |  |
|--------------------------------------|--|--|--|--|
| MININ                                | ЛUM: 550 POINTS                          | PAR: 1050 POINTS   |  |  |
| Efficie                              | nt use of volunteers' time:              |  |  |  |
| CT1                                  | 50 points (50 points maximum)            | For a Chapter Technology Transfer Committee (actively handling Technical, Energy, Programs, and Refrigeration) with a minimum of a chair and a co-chair  |  |  |
| CT2                                  | 50 additional points (50 points maximum) | If CTT committee includes a refrigeration subcommittee chair   |  |  |
| Buildi                               | ng Performance:                          |  |  |  |
| CT3                                  | 100 points (no maximum)                  | For each Technology Award entry into Regional or Society competition (each Technology Award entry counted only once) (100 additional points if the Building EQ score is included as part of the Technology Award submission)   |  |  |
| CT4                                  | 100 points (no maximum)                  | For each Milton Garland Award of Comfort Cooling Award entry   |  |  |
| CT5                                  | 50 points; (300 points maximum)          | For each chapter program or chapter sponsored educational seminar with a clearly defined sustainability theme (e.g. energy efficiency, indoor air quality, high-performance buildings) with 50 points additional for referencing Building EQ   |  |  |
| Planni                               | ng and Administrative Activities:        |  |  |  |
| СТ6                                  | 50 points; (50 points maximum)           | For completing and publishing meeting schedule and speakers by October 1 or 2 weeks after the CRC, whichever is later  |  |  |
| CT7                                  | 50 points; (250 points maximum)          | For maintaining submitting summary of speaker reviews regularly to CTTC RVC for use in regional speaker database   |  |  |
| CT8                                  | 25 points; (100 points maximum)          | For advertising of ASHRAE Certifications (e.g. Chapter Newsletter, Chapter Website, AIA Newsletter, etc.)  |  |  |
| СТ9                                  | 25 points; (no maximum)                  | For submitting DL event summary critique form within 15 days of DL visit   |  |  |
|                                      | ls and Submission Activities:            |  |  |  |
| CT10                                 | 50 points (no maximum)                   | For each ASHRAE publication (e.g. Handbook chapter, Standard, design guide, ASHRAE Journal article) authored, co-authored, or translated by Chapter members and submitted to the cognizant group for publication. (Points doubled if authored by ASHRAE Fellow, if the article is on a refrigeration oriented theme, a residential oriented theme, developing economies, effective building operations or if it is performed by a YEA member.) (Note: Requests to translate any ASHRAE publication must be submitted in advance to ASHRAE's Publisher/Director of Publications and Education)  |  |  |
| Meetings, Presentations or Events:   |  |  |  |  |
| CT11                                 | 150 points; (150 points maximum)         | For a chapter program if the technical topic is a panel discussion about effective building operations, including representatives from the local building owner/operators, researchers undertaking studies on smart buildings, controls service providers, or other specialists relevant to the topic. The intent is to have the panel discuss the problems and opportunities related to effective building operations and the impact of technology in the chapter assigned area.  |  |  |
| CT12                                 | 150 points; (150 points maximum)         | For a chapter program if the technical topic is a panel discussion about building resilience, such as research undertaking studies on building resilience, controls service providers addressing how control strategies and resiliency are linked, cyber security challenges in the built environment, technical representatives from the local weather authority sharing insights about future weather patterns, utility representatives to discuss how buildings impact grid performance, or other specialists relevant to the topic. The intent is to have the panel discuss where the integration of resilience into new and existing buildings and how it might affect infrastructure in the Chapter assigned area. |  |  |
| CT13                                 | 150 points; (150 points maximum)         | For a chapter program if the technical topic is a panel discussion about wellness in buildings. The panel should comprise of indoor air quality specialists, interior designers, psychologists specializing in the effects of the indoor environment, and other specialists relevant to the topic. The intent is to have the panel discuss how buildings may improve the quality of life of its occupants.   |  |  |
| CT14                                 | 100 points; (300 points maximum)         | For each 3-hour PDH seminar or webcast presentation (live or delayed) sponsored/hosted by the chapter  |  |  |
| CT15                                 | 100 points (no maximum)                  | For each joint meeting with AIA, USGBC, IES, or other HVAC&R-related organization, and/or other engineering society (or other equivalent organization) (25 additional points if the joint meeting is held with other refrigeration industry-related societies, e.g., RSES or IIAR)   |  |  |

## 2019-20 PRESIDENTIAL AWARD OF EXCELLENCE (PAOE)

| 2019-20 PRESIDENTIAL AWARD OF EXCELLENCE (PAGE) |                                       |   |  |  |
|---|---------------------------------------|---|--|--|
| CT16  | 100 points; (600 points maximum)      | For each 3-hour seminar sponsored/hosted by the chapter on a building science topic other than HVAC&R                                 |  |  |
| CT17  | 100 points; (no maximum)              | For each ASHRAE certification earned by a chapter member during the Society President's term (An additional 50 points is              |  |  |
|   |                                       | earned for each ASHRAE certification renewed by an ASHRAE member during the Society President's term.)                                |  |  |
| CT18  | 100 points; (no maximum)              | For conducting a live remote chapter meeting organized together with a chapter from another country                                   |  |  |
| CT19  | 100 points; (100 points maximum)      | For each 1 hour Technical Session on Refrigeration Design held in conjunction with a chapter meeting                                  |  |  |
| CT20  | 50 points; (no maximum)               | For each chapter program on natural or low GWP refrigerants, safe refrigerant use and/or refrigeration fluids (e.g. Standard 15       |  |  |
|   |                                       | and/or 34, future refrigerants, and refrigeration practices for line sizing, oil return and piping for cold chain or HVAC systems)    |  |  |
| CT21  | 50 points; (200 points maximum)       | For each program by a DL under a non-allocated visit  |  |  |
| CT22  | 50 points; (50 points maximum)        | For holding at least eight monthly chapter meetings per year with at least six including ASHRAE industry related programs             |  |  |
| CT23  | 50 points (no maximum)                | For refrigeration tour to an industrial food or beverage processing plant, low temperature refrigeration manufacturing facility or    |  |  |
|   |                                       | plant, cold storage warehouse or modern supermarket   |  |  |
| CT24  | 50 points; (100 points maximum)       | For each chapter member that also serves on an ASHRAE TC to give a presentation at their local chapter meeting that explains          |  |  |
|   |                                       | the function of technical committees (handbook chapters, standards, research, etc.) using a presentation template developed by        |  |  |
|   |                                       | TAC and posted at <a href="https://www.ashrae.org/tcs">www.ashrae.org/tcs</a> under heading "General TC Information"                  |  |  |
| CT25  | 50 points; (100 points maximum)       | For each chapter program on Indoor Air Quality/Environmental Health (Points doubled if related to a Residential project)              |  |  |
| CT26  | 50 points; (50 points maximum)        | For each chapter program having a GAC presentation  |  |  |
| CT27  | 25 points; (no maximum)               | For each program on business, management, developing economies or legal education (minimum 45 minute presentation;                    |  |  |
|   |                                       | maximum 2 per subject area)   |  |  |
| CT28  | 25 points; (no maximum)               | For each technical tour with a 30 minute presentation   |  |  |
| CT29  | 25 points; (no maximum)               | For each chapter monthly meeting held where continuing education credits (e.g. PDHs, CEUs) are provided for attendees                 |  |  |
| Chapter Member and YEA Activities:              |                                       |   |  |  |
| CT30  | 25 points; (400 points maximum)       | For each article (minimum 250 words) on a technical, business, legal or management topic (other than those announcing a               |  |  |
|   |                                       | program) published in a chapter newsletter or posted on a chapter website (maximum of two articles per month) (an additional          |  |  |
|   |                                       | 25 points if submitted by YEA member; not to exceed 100 additional bonus points)  |  |  |
| CT31  | 50 points; (200 points maximum)       | For each chapter presentation (minimum 15 minutes) given by an ASHRAE voting or corresponding Technical Committee (TC),               |  |  |
|   |                                       | Task Group (TG) or Standards Project Committee (SPC) member on status of one particular TC's, TG's or SPC's efforts (Research         |  |  |
|   |                                       | activities, Standards activities, Handbook activities, etc.) (Points doubled if the presenter is part of the Refrigeration Committee, |  |  |
|   |                                       | Residential Committee or a YEA member)  |  |  |
| CT32  | 100 points; (no maximum)              | For each Technology Award entry into Chapter competition (Points doubled if submitted by a YEA member)                                |  |  |
| RVC A   | ssigns/Enters the following points:   |   |  |  |
| CT33  | 200 points; (200 points maximum)      | For the incoming Chapter CTT committee chair or co-chair attending the CTTC CRC workshop  |  |  |
| CT34  | 100 points; (no maximum)              | For submitting Donald A. Siller Refrigeration Award application   |  |  |
| CT35  | 100 points; (no maximum)              | For submitting Dan Mills Chapter Programs Award application   |  |  |
| CT36  | 50 – 100 points; (100 points maximum) | For planning/goal setting session with RVC (points assigned by RVC by October 1 or 2 weeks after the CRC, whichever is later)         |  |  |
| CT37  | 10 – 100 points; (100 points maximum) | For achieving goals established in goal-setting session with RVC (points assigned by RVC by June 30)                                  |  |  |

# Instructions to Enter PAOE Info

- 1. From the ASHRAE Homepage, login using your email address and password.
- 2. Click on the Communities blue tab
- 3. Click on the Chapters link on the drop-down menu
- 4. On the Chapter page, select Chapter Reports, PAOE and CIQ
- 5. Click the Chapter's link
- 6. Mouse over and click on the PAOE icon (to the right of the Chapter name)
- 7. Be sure chapter's name appears in the drop down box. Select the PAOE year then choose the PAOE category to enter points. Note year-to-date totals for each PAOE category.
- 8. Use the Help button **?** for brief descriptions of the PAOE areas.
- 9. After selecting the PAOE Category, click on any subtitle for the line items to appear. Click again to show only the PAOE category. Note: Chapters will not have access to the DRC Assigns, RVC Assigns and Regional ECC and Regional Historian Assigns categories.

- 10. Click the plus sign (+) for any line item to add PAOE points. Note year-to-date points for each line item entered.
- 11. When points are entered, it records the person who entered the points, number of points, and when the points were entered.
- 12. When adding points, you can include a note for yourself or anyone who will be entering points in this category.
- 13. Click the Download icon and save as an Excel file on your computer, then open the file. All categories and points are listed in this report.
- 14. RP Points will continue to be entered by staff. For questions, contact: RegionInfo@ashrae.org
