(1) The Minutes from the September 9th and October 7th Planning Committee Meetings as presented be approved.

MOTION 1 PASSED (9:0:0 CNV)

REVIEW OF ACTION ITEMS

September 9, 2020

Action Item 3 was reported as ongoing.

October 7, 2020

All action items were reported as complete.

SUBCOMMITTEE REPORTS

Monitoring Subcommittee

Mr. Olesen reported that MBOs from all of the Councils being input into the MBO Tracking Spreadsheet.

It was noted that all MBOs will need to be added to the new MBO Tracking Spreadsheet that will be used next year.

Mr. Littleton and Ms. Maston noted that Staff Directors have been nudging the councils for completion of their MBOs.

The subcommittee is hoping to have a finalized MBO Tracking Spreadsheet by the 2021 Winter meeting.

Post COVID ASHRAE Subcommittee

Ms. Platt Gulledge reported that the survey regarding post COVID ASHRAE has been distributed. Expecting to get really good feedback of what has been experienced in the virtual environment by ASHRAE committees.

While the survey is underway, the subcommittee is researching other organizations to determine how they are adapting to the post COVID environment.

Mr. Hunt reported that he reached out to Steven Gill, a contact from CIBSE, to determine how the organization has been impacted by COVID. They have had no face to face meetings. Virtual Conferences have not been successful on their end.

Mr. Littleton notified Mr. Hunt that their may be a more appropriate contact to determine how CIBSE’s operations have been impacted.

ACTION ITEM - Mr. Littleton will contact Stephen Matthews at CIBSE to determine how the organization is being impacted by COVID and will copy David Arnold.

ACTION ITEM – Ms. Platt Gulledge will send Mr. Littleton the full list of organizations being researched by the
Post COVID subcommittee so that he may assist with determining how they have been impacted by the coronavirus.

Ms. Gupta provided an update regarding the Post COVID survey that was distributed on November 2nd. 455 responses have been received out of the 7500 individuals that received the survey. The survey is set to close on November 8th.

Ms. Maston informed the Committee that Conference attendees have also been surveyed prior and results for these surveys have been added to Basecamp.

Mr. Miller notified the Committee that Members Council has conducted a survey regarding Chapter experiences as a result of the coronavirus pandemic.

**ACTION ITEM -** Mr. Miller will forward the survey results from Members Council regarding Chapter experiences amid the Coronavirus pandemic to the Post COVID ASHRAE Subcommittee.

**OLD BUSINESS**

The fun bio game was moved to the next PLC meeting. The Committee was asked to submit any outstanding fun bios before the next PLC meeting.

**NEW BUSINESS**

Ms. Maston reported that she and Mr. Klock have received a request to review ASHRAE lean efforts. Once reviewed, discussion will take place at the next full Committee meeting regarding their findings.

A request will also be made to the full Committee to submit any new ideas regarding how ASHRAE may eliminate waste, optimize expenses, increase revenue, and improve member services.

**FUTURE MEETINGS**

The next PLC meeting will be Wednesday, December 2, 2020 at 9:00AM.

The Virtual Winter Meeting for PLC will be January 6th. Ms. Maston noted that the meeting has been set early to allow the Post COVID ASHRAE Subcommittee time to prepare their final report to the BOD.

**ADJOURNMENT**

The meeting was adjourned at 9:58am.

Respectfully Submitted,

Sarah Maston
Society Transformation Ad Hoc

August 18, 2020
Society Transformation Ad Hoc

• Establish by President Gulledge on August 20, 2020
• Address the three main transformation initiatives within ASHRAE
  • PEC Ad Hoc on Strategic Business Development
  • Presidential Ad Hoc on Streamlining Society
  • 20-21 Society Theme – The ASHRAE Digital Lighthouse and Industry 4.0

A transformational change breaks the existing framework, is unbound by time and cannot be undone.
PEC Ad Hoc Report

• Four transformational changes
  • Use a financial perspective to analyze and evaluate all ASHRAE products and services
  • Create a market-driven business model of product/service development that focuses on the needs and expectations of clients
  • Integrate ASHRAE products across Council “boundaries” into a portfolio or “suite” of products that amplifies its value
  • Develop a sales strategy to sell ASHRAE technology B2B in a digital world

• Seven Action Items to implement

“Control your own destiny or someone else will”
Jack Welch, former CEO of GE

Action Item #1 – Recommend that Finance Committee adopt the use of a single analysis form across all ASHRAE products and services to include gross margin dollars, gross margin %, payback and other suitable metrics.

Action Item #2 – Recommend that Finance Committee reconfigure their accounting system to automatically produce financial data, including gross margin dollars and %, for all products and services.
PEC Ad Hoc – Transformation #2

• Create a market-driven business model of product/service development
  • Forging connections with the market
  • Eliminate silos

“Build it and they will come” – Field of Dreams
• **Action Item #3** – Adopt a product/service planning process that is market driven. The process should be developed by a cross-Council team and include Marketing. To leverage ASHRAE strengths, the process should include the appropriate path(s) within ASHRAE to optimize the development and marketing of the product/service identified by the process.
• **Action Item #4** – Align products and services across ASHRAE boundaries while simultaneously developing suites or portfolios of products to meet market needs. Alignment shall include addressing pricing and costs, along with coordinating regional and Society delivery of products and services.
• **Action Item #5** – Establish a PEC business model that includes governmental and non-governmental entities to deliver ASHRAE products. The business model should include the ability to scale our educational offerings, create revenue streams by licensing or selling ownership of products, hiring an ASHRAE contract officer and the investigation of potential partners.
• Develop a business plan for B2B
  • Forge connections
  • Develop lean and agile collaboration
• **Action Item #6** – Create a digital business plan for PEC by identifying 3 to 5 digital product strategies that are in response to market needs and try them, thus allowing PEC to learn which strategies work and which do not.
PEC Ad Hoc– Action Items

• **Action Item #7** – Implement a professional development program to allow staff to develop the skills and knowledge necessary to guide PEC volunteers on how to leverage and apply a digital format.
Society Streamlining Ad Hoc

• Established by then President Boyce
  • Planning process for a more streamlined ASHRAE
  • Overcome the “speed of ASHRAE” obstacle
Society Streamlining Ad Hoc - Scope

• Review, investigate and consider organizational structures to:
  • Eliminate redundancy
  • Add flexibility and adapt to local conditions
  • Allocates resources to most impactful pursuits
  • Optimize by increasing capacity, efficiency and effectiveness
Society Streamlining Ad Hoc

• Large body of previous streamlining studies
