

Residential Building Service Award

The Residential Buildings Service Award was first introduced in Society Year 2021-2022. This award recognizes excellence in volunteer service focused on residential building issues and is open to both ASHRAE members and non-members. Judging is based on points awarded for achievement in ASHRAE activities related to the residential building sector and the quality of that work.

Year Awarded	Name of Recipient
2022	Theresa Weston
2023	Richard Karg
2024	Iain S. Walker
2025	Paul W. Francisco
2026	Philip Fairey
