ATTACHMENT B

Motion:
Young Engineers in ASHRAE Committee (YEA) recommends to Members Council that a waiver for Society Year 2020-2021 to allow Madison Schultz to serve in a dual role as Regional Vice Chair of Region VIII and Jr. Vice Chair (second vice chair) on the YEA Committee be approved.

Background:
The current ROB, Section 2.430.002.1 Composition is as follows:

The members of this committee are as follows
A. Voting membership shall consist of a Chair, two Vice Chairs, two Members-at-Large, and one representative from each Region who will serve as Regional Vice Chair.

YEA ExCom made the decision to select an RVC to serve in the dual roles. Madison Schultz was hand selected by YEA ExCom due to the lack of applicants that fall within the YEA age range, have the qualifications to serve, and are willing to serve in the Jr. Vice Chair position. Since the Jr. Vice Chair duties are minimal it would not impact this person’s RVC duties. President Elect Gulledge appointed and approved Madison in the dual roles on the YEA Committee which requires a waiver from the Board of Directors.

Fiscal Impact:
None
