Sponsorship Opportunities

The 2023 ASHRAE Annual Conference is teaming up with ASHRAE Journal to extend your message to its readers and to create a Technology Showcase in conjunction with the conference, June 24 - 28, at the JW Marriott Water Street and Marriott Waterside in Tampa, Florida. The conference provides opportunities to reach in-person and virtual conference attendees through a hybrid conference format. Meet face-to-face, establish your company's presence at the conference, and reach a worldwide, virtual audience through livestreamed and on-demand sessions.

Includes the following:

- **Registration List** (Estimated Value of $1,500): Postal information for a one-time mailing to registrants who opted in for sponsor messages.
- **Dedicated Sponsor Page in ASHRAE 365 Conference App and Conference Website** (Estimated Value of $2,000): A dedicated spot on the ASHRAE conference app and website to post logos, link videos, upload marketing material and share contact information. Sponsor page is viewable to anyone visiting the ASHRAE 365 app or conference page – not just registered conference attendees. Analytics such as pageviews, number of downloads for resources added and impressions on your logo will be made available after the conference.
- **Logo Visibility** (Estimated Value of $1,000): Your logo will be added to a prominent position on the conference website that will link to your company’s website. Sponsor logos will also be printed on signage at the conference and in other conference materials.
- **Complimentary Registrations** (Estimated Value of $750+): One registration with full access to attend the in-person conference as well as access to all information offered by ASHRAE presenters, livestreamed content, all conference papers, and on-demand content.

Value-added benefits:

- **Conference Promotions** (Estimated Value of $1,500): Your company's logo will be linked to your website in all ASHRAE emails promoting the conference and on the official conference website. This includes approximately 15 promotional emails (based on commitment date), sent to all ASHRAE members and other interested individuals totaling over 55K unique recipients each email.
- **Social Media** (Estimated Value of $1,500): One social media post highlighting all sponsors on each of ASHRAE's official social media channels (Twitter, LinkedIn, Facebook and Instagram), which have a combined audience of over 200,000 during the conference.
- **Home Page Visibility** (Estimated Value of $5,000): Recognition on the ashrae.org home page which has 125,000 unique visits average per month.
- **Sponsor Appreciation Email** (Estimated Value of $3,000): One-time, dedicated email highlighting all conference sponsors, sent the week before the conference to all registered attendees who opted in for sponsor messages. Includes sponsor logo and hotlink.
- **Daily Email Highlights** (Estimated Value of $5,000): Your company's logo and hotlink are included in emails sent to all registered attendees each day of the conference (Saturday, Sunday, Monday, Tuesday and Wednesday) and included in the Know Before You Go email sent to registered attendees prior to the start of the conference.

ASHRAE Journal Presents: Additional Advertising Opportunities to Magnify Reach

ASHRAE Journal brings the latest news, products and technical information to the ASHRAE membership. Together, the 2023 ASHRAE Annual Conference and ASHRAE Journal create the new ASHRAE 2023 Technology Showcase.

According to publisher research, ASHRAE's circulation universe encompasses more than 10 million annual impressions.

Before ASHRAE’s top leaders gather to chart the path of industry standards, ASHRAE Media offers the following opportunities to engage specifiers and other leaders with your company’s technology.

$7,575+  
2023 ASHRAE Journal Supplier Product Capabilities Guide  
Submit a product announcement for the New Product Guide given to all ASHRAE members prior to the start of the Annual Conference. Circulation is 50,000 readers of ASHRAE Journal in print and online. Place a one-half page advertisement and earn bonus, equal-matching space for explaining a product technology or your firm’s thought-leadership in the industry. Larger advertisements also qualify.

$3,895+  
Special Edition of HVAC&R Industry  
HVAC&R Industry newsletter is distributed to more than 90,000 readers with the latest news about technology, industry standards and applications. A special newsletter during the conference will highlight emerging and new technology for 2023.

$750+  
Host Technical Program Content on your Website  
Drive traffic to your website and build relationships with your community by providing free access to key sessions from the 2023 ASHRAE Annual Conference for three months post-conference. Opportunities begin at $750. The rate may be increased due to amount of content posted.
About ASHRAE
