

AN INVITATION TO SPONSOR

VENTILATION 2022: 13TH INTERNATIONAL INDUSTRIAL VENTILATION CONFERENCE FOR CONTAMINANT CONTROL

June 22-24, 2022 · Toronto Canada

The Ventilation 2022 Conference takes place June 22-24, 2022 at the Sheraton City Centre in downtown Toronto. Inaugurated in 1985, the "Industrial Ventilation Conference" takes place every three years allowing time to develop new research and technology applications and to document the findings. The conference has rotated locations and organizers between Europe, North America and Southeast Asia. The 2022 conference will be hosted by ASHRAE.

The proposed conference theme is “leading edge industrial ventilation technologies for a low-carbon environment.” The program will include and call for papers and separate call for presentations. For more information please visit the conference website www.ashrae.org/ventilation2022 regarding the Call for Papers and other important deadlines.

The goal of the conference is for international engineers, practitioners, researchers, scientists, and regulatory personnel working in the specialized industrial ventilation field to share recent advancements from a global perspective in the field of ventilation and contaminant control. The conference organizers are pleased to offer several sponsorship opportunities to engage industry participation.

All sponsors will have their company logo and name on the event flyer, the conference web site and recognition during the conference. A summary of the specific benefits of each sponsorship level is provided below.
