

AN INVITATION TO SPONSOR

2024 ASHRAE Conference for Integrated Design, Construction & Operations
June 24-26, 2024 · Indianapolis, IN

The 2024 ASHRAE Conference for Integrated Design, Construction & Operations (CIDCO), will be held June 24-26, 2024 at the JW Marriott in Indianapolis, IN. The expected attendance for this conference is approximately 200 attendees. The conference will be held in conjunction with the ASHRAE 2024 Annual Conference, June 22-26,2024. The conference will be held in conjunction with the ASHRAE 2024 Annual Conference, June 22-26,2024.

CIDCO will provide an in-depth look at existing tools and applied knowledge, as well as the study and introduction of new technologies including machine learning, artificial intelligence, virtual reality and robotics to design, construct and operate buildings. Building on the data-driven approach to reducing energy consumption and carbon emissions, attendees will be enlightened by new approaches in integrated analysis and digital practice management and be immersed in the practical application of real-world solutions to advance global efforts to improve indoor environmental quality and address climate change. The anticipated conference program consists of Keynote Speakers, Invited Speakers, a Call for Presentations and the redesigned ASHRAE CIDCO Showdown competition. Special panels will be offered by industry leaders and organizations including a panel on how workforce development will need to keep pace with technology innovation.

The conference organizers are pleased to offer several sponsorship opportunities to engage industry participation. The sponsorship offsets conferences expenses and allows for increased access to seasoned practitioners and principals responsible for managing modeling and related services.

All sponsors will have their company logo and name on the conference web site, conference promotional material and receive recognition during the conference. A summary of the specific benefits of each sponsorship level is provided below.
