

AN INVITATION TO SPONSOR

2026 ASHRAE Building Decarbonization Conference

September 23-25, 2026 · Seattle, WA

The 2026 ASHRAE Building Decarbonization Conference will be held September 23-25, 2026 at Hyatt Regency Lake Washington in Seattle, WA. The expected attendance for this conference is approximately 400 in-person attendees.

The 2026 Building Decarbonization Conference will be an information and idea exchange between stakeholders in the built environment industry. The 2026 conference will bring together industry leaders, technical experts, policymakers, and financial stakeholders to explore practical, cost-effective strategies for decarbonizing buildings. The scope of the conference will cover a range of buildings from residential to small, medium and large commercial buildings to campus and portfolio buildings. The anticipated conference program consists of Keynote Speakers, Invited Speakers, and a Call for Presentations. Special panels may be offered by industry leaders and organizations.

The conference organizers are pleased to offer several sponsorship opportunities to engage industry participation. The sponsorship offsets conferences expenses and provides access to seasoned practitioners and principals.

All sponsors will have their company logo and name on the event flyer, the conference web site, conference app, and recognition during the conference. A summary of the specific benefits of each sponsorship level is provided below.
