

COMMITMENT TO CARE

IAQ 2020 Conference
May 4-6, 2022 Athens, Greece

The IAQ 2020 Conference: Indoor Environmental Quality Performance Approaches, in Athens, Greece will mark Society's first international event since the COVID-19 pandemic. ASHRAE is committed to the health and safety of our members and conference attendees. ASHRAE is closely monitoring guidance from the [Centers for Disease Control & Prevention](#), the [World Health Organization](#), and [local health agencies](#) regarding [travel](#) and events. ASHRAE's Commitment to Care may evolve as the IAQ 2020 Conference approaches and guidance and local restrictions change.

In Advance of the Conference

- Review and prepare for local agencies policies regarding [travel](#) and [events](#) in Greece, as well as your country of origin's requirements for return travel.
- All participants must register and "accept" ASHRAE's [liability waiver to attend the conference](#).
- Many local establishments require proof of vaccination or COVID-19 recovery upon entry. Valid forms of document include a certificate of vaccination against Covid-19, a certificate of recovery from COVID-19 or a negative result to a molecular PCR test for Covid-19, taken within 72 hrs. Details can be found [here](#).

At the Conference

- Masks are required indoors, during sessions, meetings or any conference gathering per local mandates.
- Disposable masks will be available for attendees at the conference registration desk.
- Color-coded lanyards will be available for attendees to add to their name badge to communicate their level of comfort regarding physical distance preferences.
 - Red: Please keep your distance
 - Yellow: Elbow/fist bumps are ok
 - Green: Handshakes/hugs are welcome

After the Conference

- If an attendee tests positive for COVID-19 within 14 days of leaving the conference, the attendee must notify ASHRAE staff immediately.
- ASHRAE will communicate to attendees if needed up until 14 days after the last day of the conference.
