

2022 ASHRAE WINTER CONFERENCE MASK POLICY

In accordance with the rules and regulations set forth by the state of Nevada, Clark County, the city of Las Vegas and Caesars Palace, masks must be worn at all times while inside the hotel. The following exceptions will be in effect.

Eating and Drinking

- While in the Member Lounge, Companion Lounge or Speakers Lounge, masks may be removed while eating and drinking provided a distance of 3ft is maintained.
- For events such as receptions, meal functions and meetings, masks may be removed while eating and drinking.
- The Welcome Party will be outdoors at Caesars Palace's pool. While masks are not required to be worn outdoors in the city of Las Vegas, the CDC suggests wearing a mask in crowded outdoor settings while not eating and drinking.

Education Sessions and Presentations

- The audience will be required to wear masks.
- Masks will not be required while speaking at a podium if a safe distance is maintained from the audience. Technical session rooms will be set to accommodate a minimum of 6ft distance between the stage/podium and the first row of session attendees. Speakers should remain at the head of the room and stay within these parameters for the duration of their session.

Meetings

- Masks should be worn during meetings but may be removed while eating and drinking.

Video and Photography

- The subject(s) of video and photography may remove their masks while maintaining a distance of 3ft or more from each other, the camera crew, attendees, and any crowds.
- Please wear a mask between takes.

Please continue to observe ASHRAE's ordinary policies for video/photography:

ASHRAE regards the materials presented at Technical Sessions to be the unique work of ASHRAE and exercises control over the dissemination and/or use of such products in the future.

Accordingly, video and audio recording of technical presentations is not allowed without ASHRAE's prior written consent.

AHR Expo

Please refer to the AHR Expo's [Mask Policy](#).
