

Please sign into the [Meetingapp website](#) using the email address that you used to register for the conference to access the quizzes and certificates for each session in the On-Demand tab of the Theater.

To obtain a PDH certificate for a session, first view all of the presentations in the session. Then, click on the Quiz button to access the quiz – 10 questions and answers in true/false, yes/no format. You will receive access to the PDH certificate when correctly answering eight or more questions.

If you used this e-mail for a previous virtual conference in past years, you may use the same password that you used previously. Otherwise, you will use the 'Create a New Account' option. If you have any problems accessing the quizzes, contact technical support at ashraem@confex.com, or call (401) 334-0220 between 8:30 am - 6:00 pm EDT. The blue quiz button is located at the top of the page for each session.
