

White Papers on ASHRAE.org Supplier-Provided Learning Center

Share the latest technology or applications on the World's No. 1 HVAC&R engineering web site, www.ASHRAE.org. With a link from the ASHRAE.org supplier-provided learning page, white paper opportunities include unlimited impressions on a month-by-month basis.

Topics include: design tools, heating, ventilation, air conditioning, refrigeration, humidity control, Building Information Modeling and other building topics.

Net Rate: \$850/month, unlimited impressions

The screenshot shows the ASHRAE.org website. At the top, the ASHRAE logo is followed by "CELEBRATING 125 YEARS". A search bar contains the text "What Are You Looking For?". To the right are links for "JOIN" and "VOLUNTEER". Below the header is a navigation bar with links for "ABOUT", "TECHNICAL RESOURCES", "PROFESSIONAL DEVELOPMENT", "CONFERENCES", and "COMMUNITIES". A breadcrumb trail shows "Home > Technical Resources > Supplier-Provided Learning". The main content area features a large image of a city skyline with the text "SUPPLIER-PROVIDED LEARNING" overlaid. Below this is a section titled "Suppliers supporting ASHRAE provide free technical guidance and solutions below for your consideration. ASHRAE has not reviewed or approved this information." This section contains four cards: "Supplier Webinars" (with a laptop showing a webinar), "Supplier White Papers" (with a white paper titled "VSD and Building Integration"), "Supplier Resources" (with a hand pointing to a document), and "Supplier Product Listings" (with a person at a laptop and a magazine titled "Building Edge"). Each card has a "LEARN MORE" button.
