

UNEP ASHRAE Connect

Report Form

UNEP ASHRAE Connect establishes a working relationship between ASHRAE chapters and National Ozone Units. The Connect initiative initiates collaboration with requests by NOUs for ASHRAE engagement. This form reports on progress made on requests from NOUs for ASHRAE collaboration.

Request Details:

Country Name		UNEP Regional CAP Network Name	
National Ozone Unit (NOU) Contact Person		UNEP Regional CAP Contact Person	
Email		Email	

Level of Engagement:

Select the level of engagement that best matches the objective.

☐ Tier A: Knowledge Exchange

Examples: Requesting a guest speaker, inquiry about specific technical documents, ASHRAE standards, or question about technology application.

Example Completion Point: Delivery of the resource or conclusion of the specific event/meeting.

☐ Tier B: Technical Assistance

Examples: Structured technical advice on a specific policy, review of a training curriculum, or short-term technical training sessions.

Example Completion Point: Delivery of feedback report, reviewed document, or completion of a defined training series.

☐ Tier C: Strategic Support

Examples: Establishing a local ASHRAE Chapter/Section, regional coordination across multiple NOUs, or multi-year workforce development planning.

Example Completion Point: Formalization of a local ASHRAE presence or draft of long-term strategic roadmap.

Completion point:

(Describe the Completion Point that satisfied the collaboration request.)

Outcomes of the request:

(Describe the outcomes of the request, including identification of the collaboration team, the steps taken to create the collaboration, and what ongoing activities are required for the NOU and ASHRAE gain maximum benefit from the collaboration.)

SUBMIT THE COMPLETED FORM TO:

Amr Abdel Hai amr.abdelhai@un.org
