

UNEP ASHRAE Connect

NOU Collaboration with ASHRAE Request Form

UNEP ASHRAE Connect establishes a working relationship between ASHRAE chapters and National Ozone Units. NOUs identify specific activities for ASHRAE engagement, which can lead to ongoing cooperation. ASHRAE members participate in Connect voluntarily but share the commitment of NOU officials to support the development of sustainable refrigerating and air-conditioning applications. ASHRAE does not provide financial incentives, provide job placement, nor certify technicians with hands-on skill assessment.

Request Details:

Country Name		UNEP Regional CAP Network Name	
National Ozone Unit (NOU) Contact Person		UNEP Regional CAP Contact Person	
Email		Email	

Expected Level of Engagement:

Please select the level of engagement that best matches your objective. Note that higher tiers require more significant volunteer coordination.

☐ Tier A: Knowledge Exchange

Examples: Requesting a guest speaker, inquiry about specific technical documents, ASHRAE standards, or question about technology application.

Example Completion Point: Delivery of the resource or conclusion of the specific event/meeting.

☐ Tier B: Technical Assistance

Examples: Structured technical advice on a specific policy, review of a training curriculum, or short-term technical training sessions.

Example Completion Point: Delivery of feedback report, reviewed document, or completion of a defined training series.

☐ Tier C: Strategic Support

Examples: Establishing a local ASHRAE Chapter/Section, regional coordination across multiple NOUs, or multi-year workforce development planning.

Example Completion Point: Formalization of a local ASHRAE presence or draft of long-term strategic roadmap.

Request Objective:

(Identify the primary objective and expected deliverable, such as a technical review, guest speaker, or document sharing, and define a clear Completion Point. Please note that ASHRAE is volunteer-driven and cannot provide financial aid, equipment subsidies, or hiring services for employment.

Request Description:

Describe your request in detail, ensuring it aligns with Montreal Protocol national priorities and specifies the related project (e.g., HPMP, KIP, or Energy Efficiency Policy).

SUBMIT THE COMPLETED FORM TO:

Amr Abdel Hai (amr.abdelhai@un.org)
