

Instructions to download on MAC

Watch the video [here](#) for download instructions or use the step-by-step PDF guide below.

- The first time you run the application on **MAC** you will need to give permission for your computer to run it.
 - Click **Done** on the popup.
 - Click on the **Apple Menu**, and select **System Settings**
 - Scroll down and select **Privacy and Security**
 - Scroll down the Privacy and Security screen until you see the name of our game
 - Click the **Open Anyway** button next to the file name
 - Click the **Open Anyway** button on the popup. You may need to enter your admin password
