

Errata to
Weather Data Viewer, Version 4.0
January 4, 2010

Richmond International Airport (724010) is listed as being in North Carolina; it should be listed as being in **Virginia**.

Errata to
Weather Data Viewer, ver. 4.0
September 17, 2010

In the **doc** folder in the main directory of the CD-ROM, in the file **Design Conditions_p.xls**, in the **Annual** tab of the workbook, the Max and Min headings in cells BM4 to BX4 should be reversed (for example, cell BM4 should say *Min* and cell BN4 should say *Max*, etc.).
