## STANDARDS ACHIEVEMENT AWARD

Each year the Society recognizes the outstanding efforts of a single volunteer in the area of standards development. The Standards Achievement Award recognizes excellence in volunteer service and serves to heighten general membership awareness of, and interest in, standards activities.

The award is open to ASHRAE members who have demonstrated outstanding achievement in the ASHRAE standards development process based on criteria presented in Appendix B of the Standards Committee Reference Manual, which can be found on the ASHRAE website at: <https://www.ashrae.org/standards-forms-procedures>.

## STANDARDS ACHIEVEMENT AWARD

Nominations are solicited during the first half of the Society year and then the Standards Committee will select the recipient at the 2022 ASHRAE Winter Meeting.

The Standards Achievement Award will be presented during the Honors and Awards portion of the Plenary Session at the ASHRAE Annual Meeting in Toronto. A certificate will be presented to the recipient by the ASHRAE President.

Nominations are due to the Sr. Manager of Standards, Connor Barbaree ([cbarbaree@ashrae.org](mailto:cbarbaree@ashrae.org)), by December 31, 2021. The nomination form can be found on the ASHRAE website at: <https://www.ashrae.org/standards-forms-procedures>.
