The Standards Achievement Award recognizes excellence in volunteer service and serves to heighten general membership awareness of, and interest in, standards activities.

The award is open to ASHRAE members who have demonstrated outstanding achievement in the development of ASHRAE standards and guidelines based on criteria presented in Appendix B of the Standards Committee Reference Manual, which can be found on the ASHRAE website at: <http://www.ashrae.org/standards-forms-procedures>.

Nominations are solicited during the first half of the Society year. Standards Committee will review all nominations meeting the minimum criteria and select the recipient at the ASHRAE Winter Meeting in Orlando.

The Standards Achievement Award will be presented during the Honors and Awards portion of the Plenary Session at the ASHRAE Annual Meeting in Austin, TX. A plaque and lapel pin will be presented to the recipient by the ASHRAE President.
