- Appendix F. Iterative Procedure: In Equation F-1 (first column of page 56) the value of Y (expansion factor) should be calculated per Section 8.3.2.3, not Section 9.3.2 as indicated. Change "Y = 0.998 (calculate per Section 9.3.2)" to read "Y = 0.998 (calculate per Section 8.3.2.3)".
- Appendix F. Iterative Procedure: In Equation F-2 I-P (second column of page 56) change the number in the square root in the denominator from "195595" to "189595". The calculated value of  $Ce_1$  (= 0.98322) is correct.
