Multiple Pages	Throughout this User’s Manual there are references to and examples that use the ASHRAE CD <i>Thermal Comfort Tool</i> . This CD has been deemed out of date and is no longer available through ASHRAE. In place of <i>Thermal Comfort Tool</i> , readers of this User’s Manual should refer to and use the Center for the Built Environment’s CBE Thermal Comfort Tool, which was developed to align with Standard 55: https://ashrae55.berkeley.edu/
