

POLICIES AND PROCEDURES FOR TECHNICAL COMMITTEES

2022 ASHRAE Annual Conference, June 25-29, Toronto

Thank you for your flexibility, patience, and support during the 2022 Winter Conference in Las Vegas as Society explored virtual and hybrid opportunities for committee meetings. Staff learned a lot...and are still learning.

The policies and procedures put into place for the 2022 ASHRAE Annual Conference are similar to the 2022 Winter Conference and will continue to allow Society to

- ease back into large events since the pandemic began
- accommodate for the need of members and attendees to meet and work face-to-face
- provide options for groups to participate virtually with some conference-related activities
- make the most efficient use of meeting space with shifting slightly to a more structured schedule

Main Technical Committee Meetings (TC, TG, TRG, MTG):

- Are encouraged to meet in-person in Toronto
- If your committee chooses to host a hybrid meeting, resources such as a Dual Microphone/Speaker and an ASHRAE WebEx link are available upon request.
- A private, secured WiFi network for meeting hosts to connect in Toronto.

Subcommittee Meetings

- Are encouraged to meet in-person in Toronto
- Hybrid resources (such as equipment) will **not** be available due to limited resources.
- Subcommittees may choose to meet virtually in advance any time before June 22, instead of in-person, if preferred.
