

ASHRAE Technical FAQ

ID 04

Question Where can I get a product for an HVAC application?

By policy, ASHRAE is non-commercial, and cannot recommend providers of services or products, and cannot recommend products. ASHRAE does not test, certify, or endorse any product. The ASHRAE website, www.ashrae.org does carry paid and free advertisements that include HVAC and environmental consultants in our Product & Services Directory.

Answer

[AHAM](http://www.aham.org) - Association of Home Appliance Manufacturers, (www.aham.org)

[AHRI](http://www.ahrinet.org) - Air conditioning, Heating & Refrigeration Institute, (www.ahrinet.org)

[NAFA](http://www.nafahq.org) - National Air Filtration Association, (www.nafahq.org)

ASHRAE Pubs [ASHRAE Journal](#)

Topic References air conditioner, furnace, filter, equipment, part, product, refrigerator, boiler, heater, chiller, package unit, air handler, pump
